

At McMonagle Stone we have developed our range of garden furnishings in stone which includes polished and unpolished tables and seating - durable and maintenance free to last and last. Other decorative features available are Monoliths, Polished Stone Spheres and an extensive variety of stone chipping's to complement and enhance your garden all year round. We can also manufacture a bespoke item for a personal touch.

So why not speak to your local stockist of McMonagle Stone who will be glad to advise you further on our extensive and durable range of garden furnishings in stone.
